

# Our Race for Life fundraising. Let's go!

weeks to go. We're kicking off our fundraising by

**4000**  
We fund over 4000 scientists, doctors and nurses

weeks to go. we've raised  
£

Hold a cake sale in the playground – a delicious way to fundraise!

**£3**  
Just £3 buys a pair of safety goggles so think how many pairs your whole school could buy!

weeks to go. we've raised  
£

**£30**  
buys food to grow cells in the lab, allowing scientists to find out more than ever before about cancer

weeks to go. we've raised  
£

**£100**  
buys DNA nucleotides – chemical building blocks that make up a strand of DNA

weeks to go. we've raised  
£

# Our target is £

Today 2 in 4 people survive their cancer.  
Our aim is for 3 in 4 people to survive their cancer by 2034

weeks to go. we've raised  
£

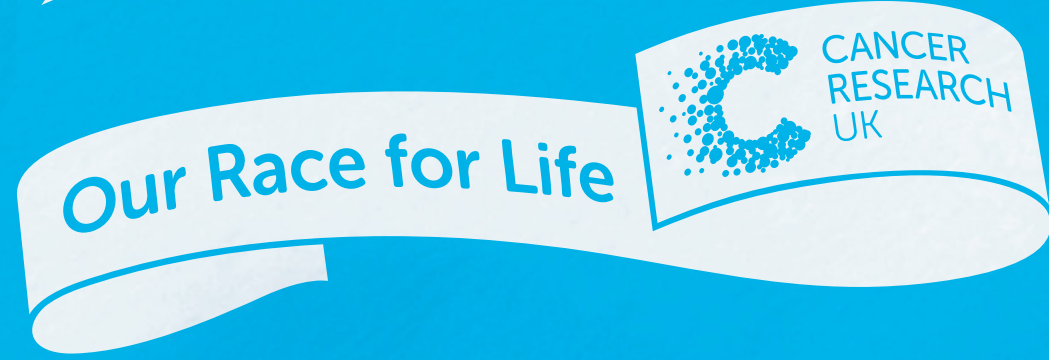

**£350**  
buys tiny fluorescent particles that scientists use to light up cancer cells

Ditch the uniform for a day and pay £1 to wear your own clothes to school

# The big day!

We are ordinary people doing something extraordinary. We are beating cancer. [raceforlife.org/schools](http://raceforlife.org/schools)
