

Fold this corner over and stick down to hide the winning number

Race for Life guessing game

Which Race for Life item will you choose?

This game is free to enter, or there's a suggested donation of £.....

Choose your favourite item and you might win a prize!

How the game works:

1. As the organiser, choose the winning item and write it on the top left corner of the poster.
2. Fold and stick the top left corner of the poster over to hide the winning item.
3. You can stick the poster up at your place of work, or even play the game virtually with family and friends!
4. Ask everyone to choose an item and write their name under their choice.
5. Collect their optional donation or ask them to donate to your online Giving Page.
6. Once the game is full, fold back the top left corner to reveal the winning item and the name under the matching item is the winner!
7. You can provide a non-monetary prize of your choice.

To return your kind donations, you can send a cheque to: Cancer Research UK, PO Box 1561, Oxford OX4 9GZ. Please make your cheque payable to 'Cancer Research UK' and include a short cover letter with your details so that we can attach it to your record. Alternatively, our Supporter Services Team will be very happy to take your donation over the phone. Please call 0300 1231022.
