## FUNDRAISING IDEAS

### £ FANCY DRESS DAY

Contact your kids teachers and ask if they could host a fancy dress day in their class. They could pick a theme linking to their history lesson. A great way to fundraise and learn!

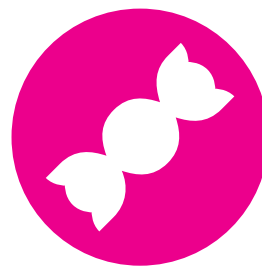

### £ SHHHH

Ask friends and family to sponsor your kids to stay silent for an hour, two hours, or could they be challenged to stay quiet for an entire day?

### £ HAVE A BAKE SALE

Release your inner Mary Berry and get your kids to help bake some tasty treats that they can sell at school, or invite friends and family around for a tea party asking each guest to donate some money.

### £ TAKE ON A CHALLENGE

Let your kids choose a challenge and ask friends and family to sponsor them. It could be anything from giving up sweets for a day or doing the washing up for a week!

# BUNTING

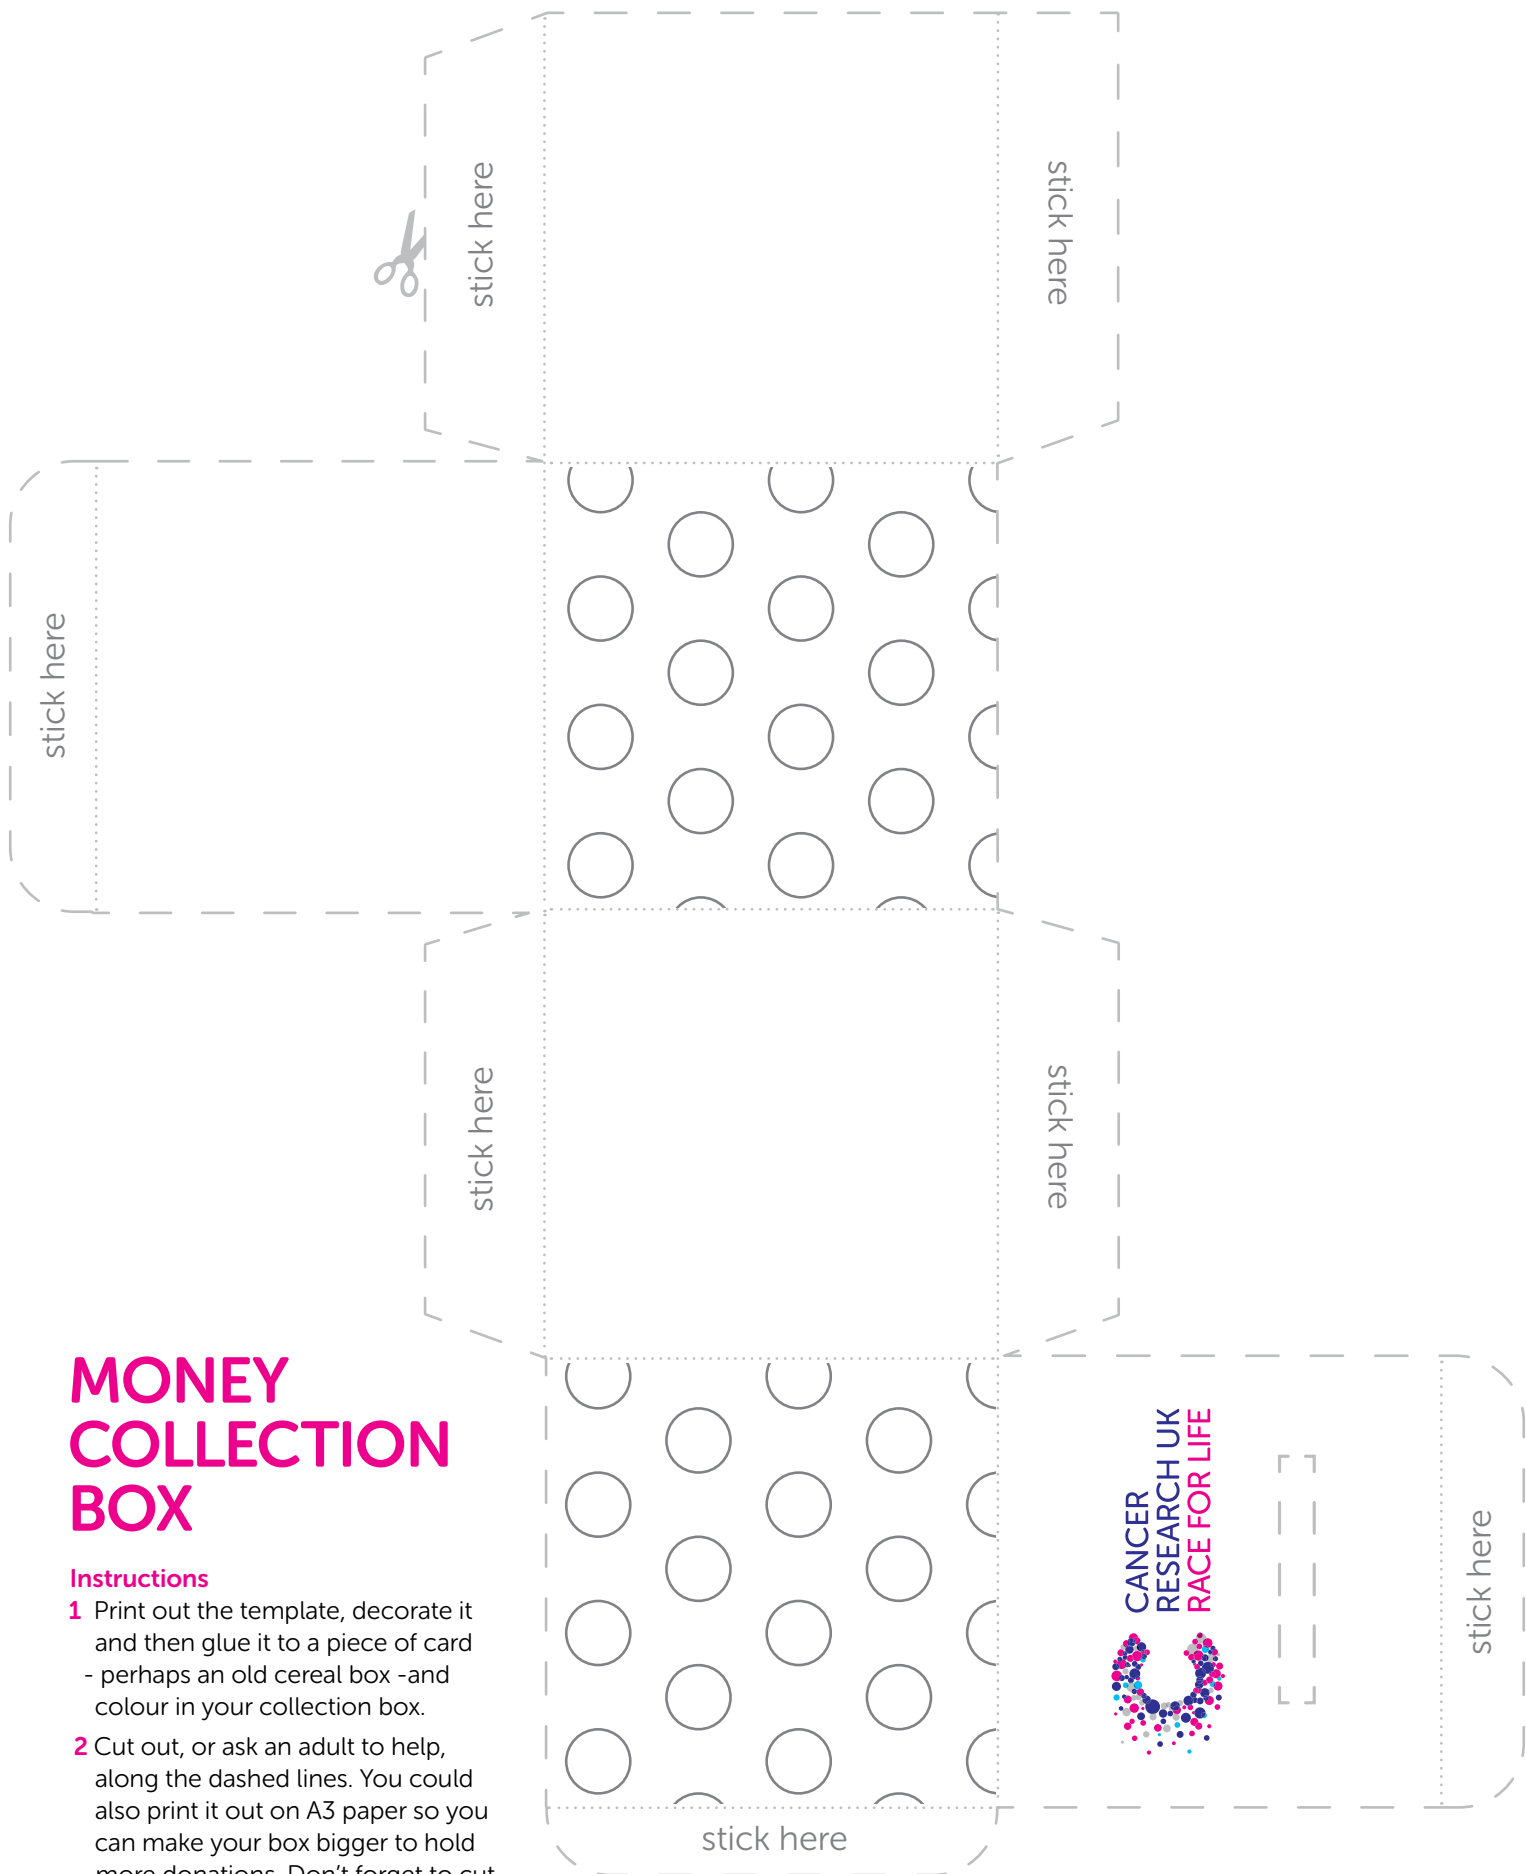

## Instructions

- 1 Print this page out as many times as you need it. You can print it out on plain paper or card.
- 2 Colour in or paint the bunting bright as you like.
- 3 Cut along the dashed lines, or ask an adult to help you, so you have each triangle separated and then fold along the dotted lines.
- 4 Place string or tape along the top of the bunting above the fold. Then glue or tape the flap down so your triangle is stuck. Repeat with as many triangles as you need.

## You will need

- A printer
- A4 paper or card
- Scissors and an adult to use them
- Glue, string and sellotape
- Coloured pens, pencils or crayons

# MONEY COLLECTION BOX

## Instructions

- 1 Print out the template, decorate it and then glue it to a piece of card - perhaps an old cereal box - and colour in your collection box.
- 2 Cut out, or ask an adult to help, along the dashed lines. You could also print it out on A3 paper so you can make your box bigger to hold more donations. Don't forget to cut out the coin slot!
- 3 Fold along the dotted lines and apply glue or sellotape to the tabs which say "glue here".
- 4 Assemble your collection box.
