Get creative to help raise money towards your fundraising total.

FUNDRAISING IDEAS

FANCY DRESS DAY

Lose the ties and ask the students to pay £2 to wear their own clothes for the day. Or they can get creative and dress as their favourite book or film character.

SHHHH

Your students could ask their family to sponsor them to stay silent for an hour or two. Or could they be challenged to stay quiet for a whole day?

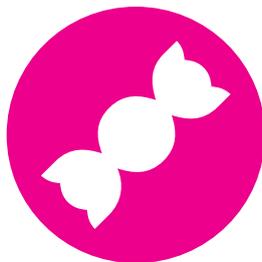

HOLD A SWEEPSTAKE

Why not use an upcoming sporting event to raise money as a class? Create a sweepstake and give everyone the chance to pick a country, team or player in exchange for a donation.

HAVE A BAKE SALE

It's bake off time! Get the students to bake some treats to sell at school, and invite their friends, family, and your local community. You can download our Bake Sale Pack for more tips, at raceforlife.org/fundraise

TAKE ON A CHALLENGE

Let the students choose a challenge and ask their parents to sponsor them. It could be anything from giving up chocolate for a week or doing something wacky like having a baked beans bath!

AT YOUR EVENT

Make your Race for Life Schools event a celebration! On the day you can sell cakes, hold a tombola and invite your friends and family to donate in exchange for taking part in the activities.

BUNTING

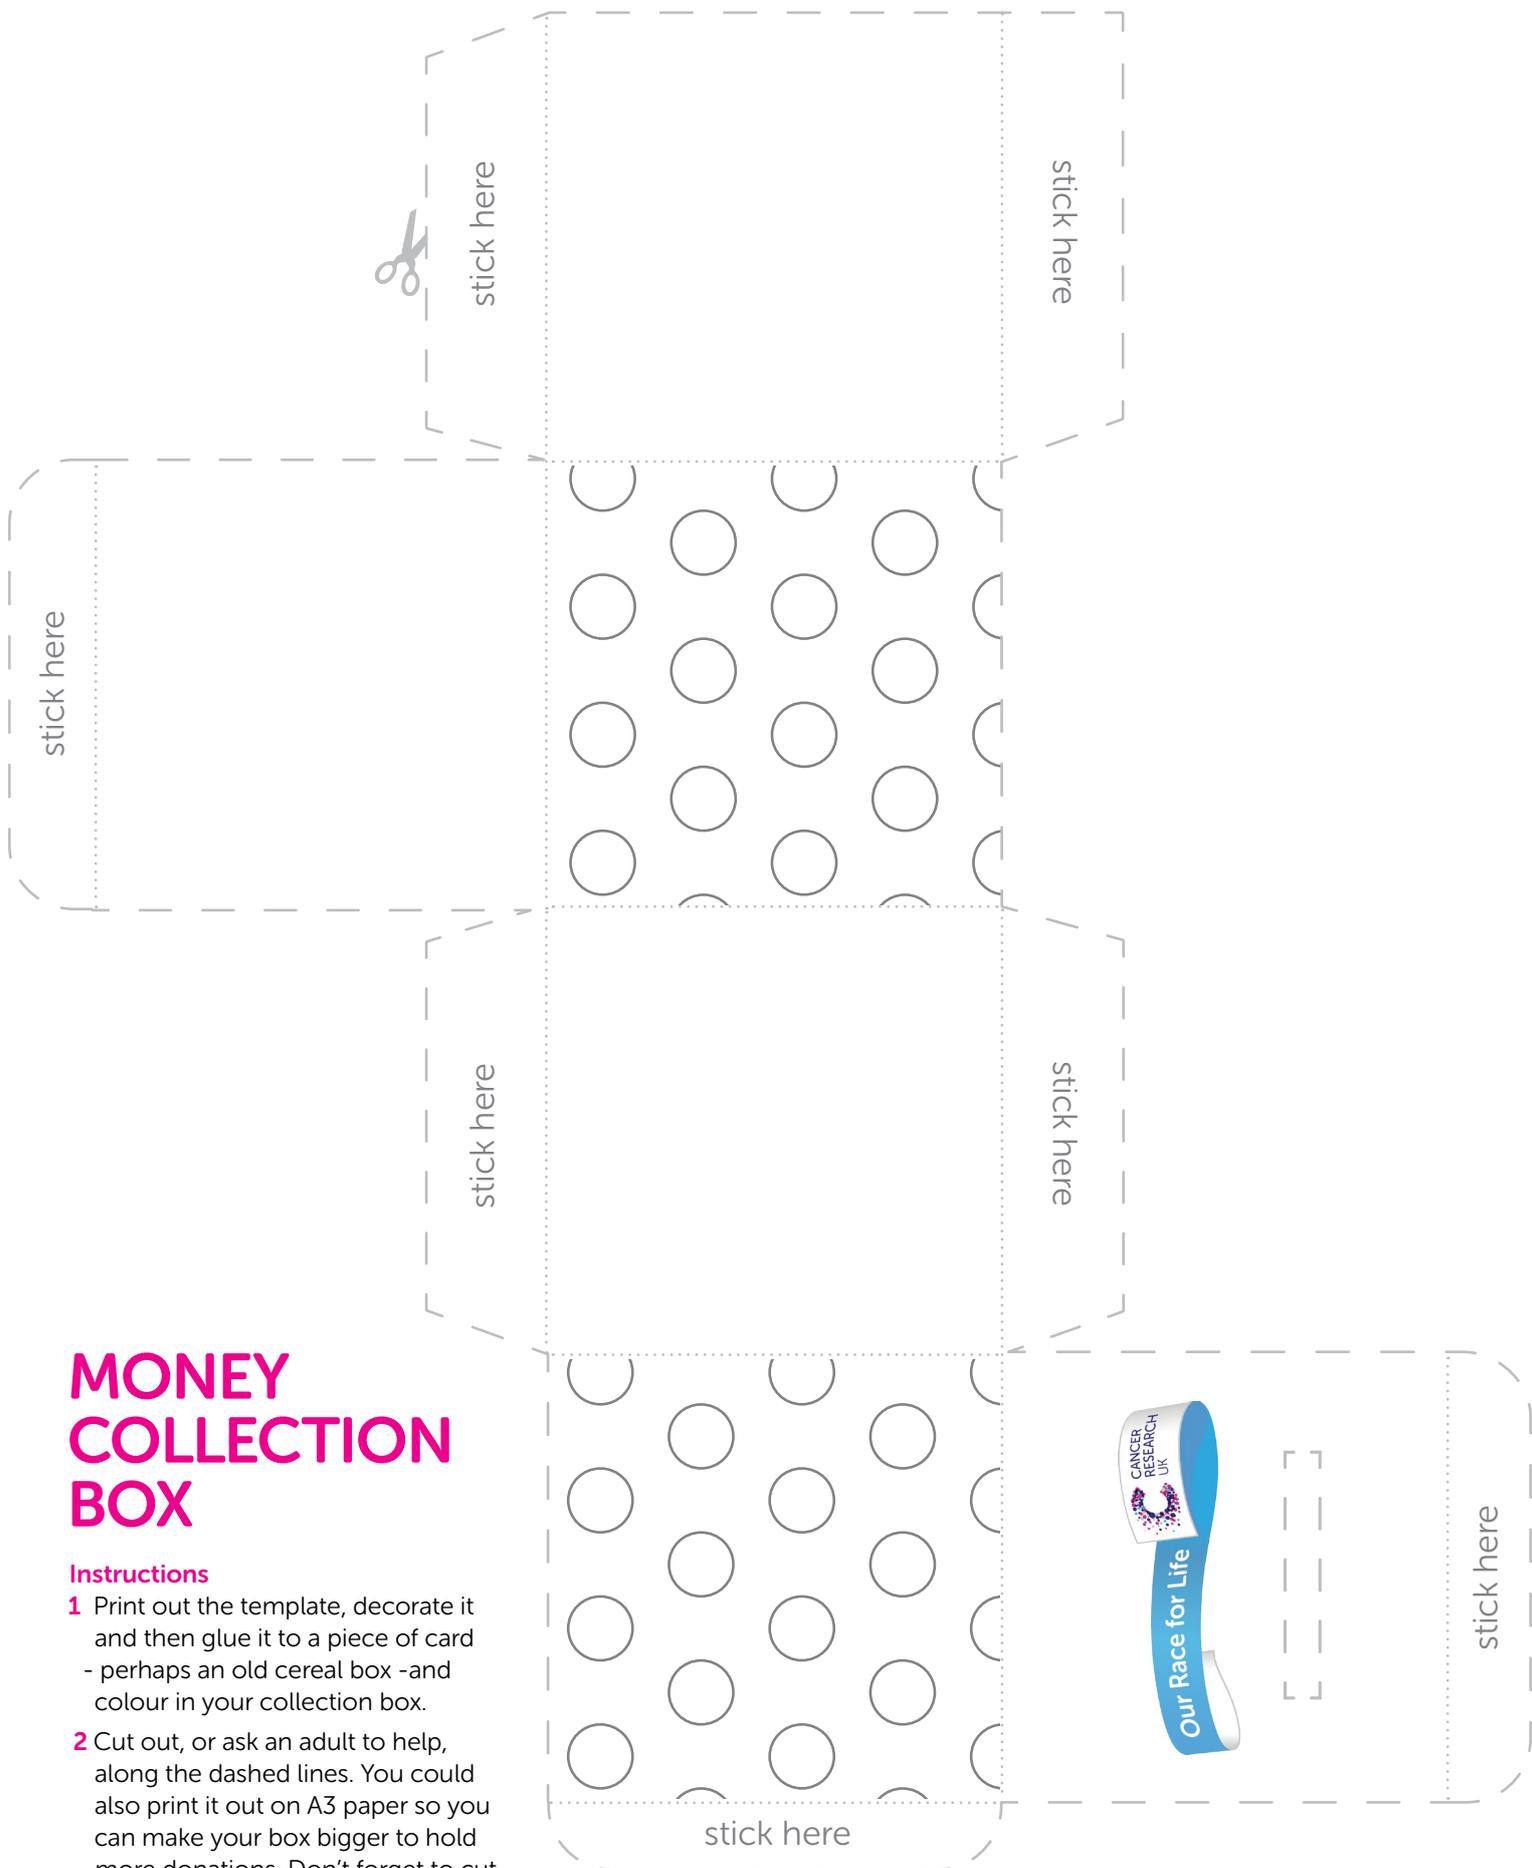

Instructions

- 1 Print this page out as many times as you need it. You can print it out on plain paper or card.
- 2 Colour in or paint the bunting as bright as you like, you can even write messages about why your school is holding a Race for Life event.
- 3 Cut along the dashed lines, or ask an adult to help you, so you have each triangle separated and then fold along the dotted lines.
- 4 Place string or tape along the top of the bunting above the fold. Then glue or tape the flap down so your triangle is stuck. Repeat with as many triangles as you need.
